

Interview Coaching

Our personalised interview coaching service covers everything you need to do **before, during** and **after** the interview, and includes:

- A comprehensive **interview preparation workbook**
- A **mock interview** with questions tailored to a particular position
- Detailed **feedback on areas for development** and methods to achieve this

The **sessions are highly interactive** and provide opportunities for you to ask questions. Our workbook also includes a number of exercises for you to complete in your own time, to further develop your interview skills.

Commitment to Quality We regularly seek feedback from recruiters and employers to ensure our clients meet their needs. Furthermore, all of our Career Practitioners participate in ongoing Professional Development, network with other Career Practitioners, and undertake on-going research on industry and occupational trends.

Interview Coaching Packages*
